Senator Toy announces prescription discount program applications and brochures available

LANSING – State Senator Laura Toy, R-Livonia, announces that brochures and applications for the Merck Prescription Discount Program are available through her office.

“This is a wonderful opportunity for residents of the 6th Senate District to save money on their prescription drugs,” Senator Toy said. “I am glad to make information about the program and applications available to my constituents in Garden City, Livonia, Redford Township, and Westland.”

The program is available to individuals who lack prescription drug coverage. Under the new program, patients would present an “instant savings certificate” to their pharmacist and save at least 10 percent on many Merck prescriptions.

Enrollment in the program, regardless of age or income, is free and there are no annual memberships or hidden fees.

For more information about the program or to obtain a brochure or application, contact Senator Toy’s office at 517-373-1707.
